

Citizen Advisor/Guide

Empowerment is an initiative Launched by Government of JK to bring transparency in the execution of works by enabling citizens to overview works/projects being implemented in their areas and become a partner in the process of development. The information available on this one-stop platform can be utilized for timely feedback/ suggestions for improving expenditure outcomes in spirit of togetherness. Citizens can view projects that are being funded in their area, so that they can actively participate in the process of development.

BEAMS
BUDGET ESTIMATION ALLOCATION MONITORING SYSTEM

Budget, Estimation, Allocation & Monitoring System (BEAMS) is an application for online budgeting & flow of resources. It is designed to capture flow of funds to each individual project under execution on real time basis. Citizens can view projects that are being funded in their area, so that they can actively participate in the process of development. Govt of JK has launched the EMPOWERMENT initiative to enable people's participation during execution of projects
